Is it possible to borrow the [amount] urinal partition panels from the men's bathroom in [venue] for my piece "New York Glue" shown in [venue] on [date]?

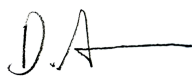

Installed as bookshelves I want them to become part of my work on display.

For the duration of the loan I propose to install [amount] identical bookshelves (including books) in the space where each panel used to be.

The urinal partition panel installed as a bookshelf in the exhibition space and the bookshelf installed as urinal partition panel in the men's bathroom could act as a reminder of how important both elements might have been for the emancipation of the queer man in pre-internet times; the bookshelf allowed connections to queer pasts, the partition wall acted as a catalyst for physical encounters with other queer men in the present.

Please let me know what you are thinking, I am looking forward to hearing from you.

Best,
